### GLOUCESTER'S SECOND DEFEAT BY A POINT

Both Gloucester and Llanelly were understrength for the return meeting at Kingsholm last Saturday, the City playing five and the Welshmen eight reserves. A keen game ended in favour of Llanelly by 1 goal (d) 1 try (7 points) to 2 penalty goals (6 points). Boughton kicked both goals for Gloucester from near the half-way line.

In the International Championship, Ireland beat Wales at Cardiff by 13 points to 8. The Welsh forwards held a commanding advantage, but the backs were sadly at fault. Ireland, with fewer scoring chances showed the better form, and won deservedly.
