GLOUCESTER'S DEVON TOUR

Gloucester had their annual tour in Devon last week-end and though handicapped in having to play several reserve forwards owing to the absence of T. Wadley, J. Davies, J. F. Evans, and H. Pitt, enjoyed a measure of success which exceeded anticipations.

On Saturday the City made a draw with Devonport Services at 3 points each; on Monday the tourists lost to Plymouth Albion by 3 goals (2 penalty) (11 points) to 1 goal (penalty) (3 points); and on Tuesday Torquay (who won at Kingsholm earlier in the season) were beaten by 13 points to 8.

The City club finish their programme at Bath to-day.
