GLOUCESTER FINISH STRONGLY

Gloucester had the Old Edwardians for opponents at Kingsholm last Saturday, and a fast open game was witnessed. The City were slow in settling down, and the Old Boys had a fair share of the play for three-parts of the match. Gloucester, however, finished very strongly, and eventually won by the substantial margin of 5 goals, 1 try (28 pts.) to 1 try (3 pts.).

Hough (3), J. Stephens (2), and James obtained the tries for the home team and Boughton kicked all the goals.

Gloucester A visited Bream, and suffered defeat for their first match by 3 goals (1p) (13 pts.) to nil. The City Seconds gave a disappointing display.
