GLOUCESTER v. CHELTENHAM

DISGRACEFUL SCENE

Gloucester visited Cheltenham and won by 9 pts. to nil, but the game was abandoned by the referee seven minutes before time owing to several players becoming engaged in a "free fight."

T. Harries, the Aberavon and Welsh International half back, who was making his first appearance for Cheltenham had his jaw broken in a collision with a Gloucester player, and Abbey, the City outside half, also had to retire with a leg injury.

Boughton kicked two penalty goals for Gloucester and J. Stephens scored the try.
