## NO CHANGES IN GLO'STER TEAM

There are no changes in the Gloucester side to play Aberavon at Kingsholm in the first meeting between the two teams for more than 20 years.

An interesting clash is in prospect as the visitors are a fairly strong side with a fairly good record this season.

The Aberavon team will be:

R. Richards; J. Collins, Elwyn Davies, John Evans, R. Routcliffe; C. Ashton, Ken Jones; L. Cunningham, Ken James, Cliff David, K. Thomas, D. Terry, Rory O'Connor, I. Prosser, John Jones.

United hooker Mervyn Burford is playing in the first team and his place has been taken by Rotol player K. Trafford for the game with Newport High School Old Boys.

The coach leaves Commercial Road at 12.15.
