### FORD, WELLS RETURN TO PACK

The Gloucester team to meet Cardiff at Arms Park on Saturday (2.45) shows three changes from the side which lost to Aberavon last week.

Peter Ford is expected to be fit enough to turn out again and another change in the pack will be the reappearance of Henry Wells in the second row, where he will be paired with Brian Green. George Hastings, who played in the second row last week, will revert to his normal position at "prop."

With a record of seven consecutive defeats behind them Gloucester's task is not an enviable one. Cardiff are having a wonderful season, and in the official rugby record table are still unbeaten, though they did lose rather unluckily in an evening floodlit match against Harlequins.

Gloucester have not won at Cardiff Arms Park since the war.

Team:

B. Sibery; R. Sutton, M. Baker, D. Perks, R. Blair; D. Jones, J. Hobbs; G. Hastings (capt.), C. Thomas, R. Parry, B. J. Green, H. Wells, P. Ford, R. Hodge, D. Ibbotson. Reserve to travel: P. Hosea.

Train, Central 10.15.

### AT KINGSHOLM

Gloucester United have an attractive match at Kingsholm (2.45) where the opposition will be provided by the powerful Cardiff Athletic side.

For this game United will be trying out a new centre, M. Thomas, who hails from the Gordon League.

Gloucester United: R. Smart; A. Hollingsworth, D. Hill, M. Thomas, D. Morgan; H. Terrington, P. Meadows; J. Herbert, M. Burford, D. Smith, J. Varney, D. Jones, M. C. Jones, I. Jones (capt.), G. Wilce.
