NO CHANGES IN GLO'STER FIFTEEN

No changes have been reported in the Gloucester team which meets Neath at the Gnoll tomorrow (2.45).

Neath have delayed selection of their own side. They will be without Rees Stephens, one of their international forwards, and there is also a doubt about full back Viv Evans.

The Welsh All Blacks have been experimenting with centres during the last month or so, but have found difficulty in filling the positions satisfactorily.

Neath have been having quite a good season, however, and are well on the right side in the matter of wins and losses.
