SCRIVENS IN SECOND ROW

Nigel Scrivens and club captain John Orwin will be the second row forwards in Saturday's Gloucester team against Bedford at Kingsholm.

Scrivens is given his first outing of the season, while Orwin returns after being rested from the side against Glamorgan Wanderers last night. Steve Boyle and John Brain are named for United, who play Bedford Athletic away on Saturday.

"We are not happy with the general effort in certain positions," says team secretary Mike Nicholls.

"Scrivens has been playing well for United and deserves a chance."

Steve Mills, Mike Teague and Mike Longstaff all return with Glyn Mann, Larry Cummins and Ian Smith going out. Mann is one of the replacements.

At full-back Peter Wickenden plays with Paul Ford stepping out, while vice-captain Paul Taylor is back after injury for Richard Mogg and Andy Richards is preferred on the wing to Nick Price.
