GLOUCESTER v. SWANSEA

THE CANCELLED MATCH

Mr. F. E. Perkins, Secretary of the Swansea F.C., has written to the Gloucester F.C. regretting "that owing to the severe frost our match had to be abandoned. It is most unfortunate, especially as I don't see how we can arrange another date. We had already promised Aberavon to try and give them another date in place of December 29th, when our match with them had to be abandoned, also owing to frost. If I see any possible chance of arranging a date I will at once communicate with you."
