ALAN TOWNSEND UNFIT FOR GAME AT KINGSHOLM

Alan Townsend, the Gloucester prop, who has pulled a ligament, will not be available to play against the Harlequins at Kingsholm tomorrow.

Former Cheltenham prop John Milner, who has been playing regularly for Gloucester United this season, is given his first chance with the premier side in place of Townsend, who was until recently the United captain.

Apart from this no further change is reported for this match which begins at 3.15.
