GLO'STER MAKE NO CHANGES

After their resounding win over Harlequins last week Gloucester meet the tough Newport XV at Rodney-parade on Saturday – full of optimism.

The selectors have wisely decided not to disturb a winning team by making changes but United include a new player in their team to meet Newport United at Kingsholm.

He is John Groves, who last week played for Pontypridd, and has now moved to Gloucester. He appears on the United wing.

Gloucester's premier team players meet with cars at Kingsholm at 12.45.
