ARMY MATCH OFF

GLO'STER MAY BE WITHOUT A GAME

The Army have postponed the match with Gloucester at Kingsholm on Saturday. It will be played mid-week later in the season.

All the services were directed to withdraw from sporting activities on Saturday because of Sir Winston Churchill's funeral.

Gloucester officials are now trying to arrange a fixture for the premier side. The United's game against Cheltenham [United] is still on.

Metropolitan Police due to play Blackheath on Saturday may also find themselves without a fixture.

If the London club could be persuaded to play Gloucester it would be their first visit to Kingsholm for more than a decade.

Footnote: Inquiries in London today indicated that Metropolitan Police would probably play their match with Blackheath – although no final decision had been made.
