... .. NOTES

OUR VISITORS. Keenly anticipated by followers of both Clubs when Cheltenham and Gloucester meet, we heartily extend a welcome to our near neighbours to the Athletic Ground this evening. The City, like Cheltenham have had rather a patchy season, however in these local encounters there are always plenty of thrills to interest onlookers. With both Clubs turning out at strength we hope to see a game worthy of them. In recent years the Town have given the City some close games, earlier in the season they ran them to a pointless draw, whether they can record an overdue win remains to be seen, but we look forward to an interesting and rousing game enjoyable to us all.

It was evident in the game against Old Alleynians last Saturday that Cheltenham were feeling the effects of the Tour, but full credit is given to the Old Boys for some good football, they were quite one of the strongest teams we have met from London this season.

WEDNESDAY, April 25th—Great Attraction! Visit of Ivor Preece's XV. to Athletic Ground. Kick-off 6.15. All Pay. Usual Charges.
