<p>Season Record</p>	<p>Played 35 Won 20 Lost 14 Drawn 1 For 1097 Against 784 Premiership: Played 24 Won 13 Lost 10 Drawn 1 For 685 Against 525 Position: 5th With coach George Skivington's methods taking effect the team rose six places in the Premiership to finish just outside the play-offs. The rolling maul was so efficient that few sides knew how to neutralise it. The effect was that 22 tries were scored by hookers. In fact, in all, 141 tries were scored, the most since 1990-91, and the total points at 1097 was the highest since 2001-02. Gloucester was the only team to achieve the double over Saracens. Other doubles were gained over Bath and Newcastle. Lewis Ludlow won his first two England caps in the summer of 2021, captaining the team. Mark Atkinson won his first England cap, whilst Louis Rees-Zammit was a regular for Wales, and Chris Harris for Scotland. New signing Adam Hastings was also capped for Scotland; Santiago Carreras, Santiago Socino, and Matias Alemanno won Argentina caps. Stephen Varney won more Italy caps. Giorgi Kveseladze (Georgia), Kirill Gotovtsev (Russia) were other internationals. With a new optimism and players buying into George Skivington's vision, the next season promises the possibility of even more success.</p>
