SATURDAY'S FOOTBALL

GLOUCESTER v LLANELLY

RESULT :

Llanelly .... 2 goals (1m), 2 tries (14 pts.)  
Gloucester ..... Nil

Gloucester were beaten, and beaten well on the day's play, but it is a question whether they deserved to be fourteen points down. The early reverse in the first two minutes was a serious set back, however. There is one thing to be said, that in spite of the margin against them they never slackened their efforts, and kept going to the bitter end.

The forwards were beaten in the loose by the rushing tactics of the Scarlets, but in the scrums they held their own well. At stand off half Willie Hall played as well as ever he did, and although he did not get rid of the ball so quickly as usual, it must be said that the passes did not always come well.

Cook played a fine game at full back, finding touch with capital length time after time. The three-quarters were fairly good.

GLOUCESTER A v CAINSCROSS

Cainscross ..... 1 goal (p) (3 points)
