## BOXING DAY

From an atmospherical point of view was similar to what was experienced in Gloucester on Christmas Day, and consequently militated very considerably against any outdoor amusement. Some hundreds, however, found some enjoyment at the Football Match, while in the evening the Theatres were crowded.

### GLOUCESTER v. OLD MERCHANT TAYLORS

This annual Boxing Day match was played at Gloucester on Thursday before a good crowd. The home team played three reserves.

In the opening half Cook scored a splendid try for Gloucester which Romans converted, and when the sides crossed over, Gloucester were leading by 5 points to nil.

The play favoured the home team in the second half, until near the end the Taylors pressed, and Raphael scored a try, which Hayes improved upon.

Result : – Gloucester, one goal (5 points) ; Old Merchant Taylors, one goal (5 points).
