**MARCH 15, 1902**

## **FOOTBALL AND ATHLETICS**

The final match of the County Championship series between Gloucestershire and Durham, will be played at Gloucester, on April 5.

The Gloucestershire Union offered Durham the choice of two dates, March 22, at Bristol, or April 5, at Gloucester, but Durham were unable to accept the earlier date. Had that been accepted, Bristol would have had to cancel a fixture on their ground on that day with Neath. As it is, Gloucester will have to re-arrange with Cheltenham for a mid-week match.
