## FOOTBALL AND SPORT

The visit of Bridgwater to the Kingsholm Ground created very little interest, the "gate" being by far the smallest experienced this season. It was a guarantee match. Gloucester had their best team out. The game, as expected, was not a very interesting one. Gloucester at once attacked, and Collett dropped a fine goal, which was followed by a couple of tries, one of which was converted. Bridgwater got over somewhat luckily.

The second half went wholly in favour of the home team, who did pretty well as they liked. Bridgwater played a very inferior game, and in the end were well beaten by 4 goals (1 dropped) 3 tries (28 points) to one try.
