FOOTBALL

Gloucester suffered an unexpected defeat at Kingsholm last Saturday from Northampton by 1 goal 2 tries (11 points) to 1 goal 1 try (8 points). James and Hough scored for the City, Boughton converting one.

Gloucester had Meadows injured early in the game, and this necessitated his removal from outside half to wing three-quarter. His disablement was a big handicap, as he could scarcely hobble about the field, and Northampton's winning try was practically a gift.

Gloucester were due at Bristol to-day, but had a weak back division, Loveridge, Meadows, and Hough all being on the injured list.
