### CARDIFF DEFEATED AT KINGSHOLM

Cardiff's visit to Kingsholm last Saturday attracted the best "gate" of the season so far. A keen struggle ended in favour of Gloucester by 4 goals (1 p. 1 d.) (17 points) to 2 goals (10 points). Davies and Wadley scored tries for the city, Boughton converting and kicking a penalty goal. Price dropped the goal. The Gloucester forwards were in splendid form.

To-day, Gloucestershire are engaged with Devon in a County Championship match at Bristol. Ten Gloucester players were included in the side.
