### GLOUCESTER LOSE AT NEWPORT

Gloucester put up a splendid fight at Newport last week, and on the run of the play should have shared honours. All the scoring took place in the first half, Newport obtaining a penalty goal and a try to a penalty goal kicked by Boughton.

The Gloucester forwards played a great game in the second half, and continually attacked with loose rushes. Everson, at full-back, however, successfully defended his line. Newport had the better set of backs, but the passing broke down badly at times. Ralph, with Everson, were the outstanding players.

To-day Gloucester had Devonport Services for opponents at Kingsholm, and next Thursday Oxford University will be visitors.
