FOOTBALL

GLOUCESTER'S NARROW WIN

Gloucester, at full strength with the exception of Boughton, recorded a narrow victory over Devonport Services by 1 goal (p), 1 try (6 points) to 1 goal (5 points).

It was a keen hard game, the Services forwards proving a very tough proposition, especially in loose footwork. The Gloucester backs had a good service of the ball, and McCanlis and James made repeated attacks on the left wing, but the defence was very sound. James did all the scoring for the City, dropping a goal from a penalty, and scoring a fine try.

M. A. McCanlis, the Gloucester centre, has been selected to play for the Whites v. Colours, in the first English trial next week.

Next Saturday, Gloucester play the United Services (Portsmouth) at Kingsholm.
