SATURDAY at 7.0 p.m.

JOTTINGS

—o—

TO-DAY we welcome the Gloucestershire and Devon sides to the County Ground in their annual South Western Group Championship game. Both sides were defeated in the first game of the championship, and Gloucestershire who were beaten on their own ground by Cornwall, must win to-day to have any chance of retaining the group championship they gained last season.

We look forward to a good open game this afternoon between these two old rivals and trust both sides will play the type of game the spectator likes to see.

To all Exeter Members.

Jack Coombes Presentation Fund.

The four committee men who are receiving contributions for this fund will be at the Secretary's Office after the game if any member would care to subscribe.

International Tickets.

Will members please note the last day for receiving applications for tickets for the two Internationals at Twickenham this season is to-day, the 23rd. Application must be made to the Hon. Secretary of the Exeter Club enclosing remittance of 15/- for each ticket. The applications are being forwarded to Twickenham early next week and no applications can possibly be entertained after this week-end.
