NOTES

Today we welcome Gloucester to Beacon Park. It is many years since they visited us and we hope this will be the forerunner of many visits.

Earlier in the season at Gloucester we were narrowly defeated by two points after a very entertaining game

During the past two weeks we have had to call upon many of our younger players for 1st XV and United duty and we would congratulate them on a first class show. It is a happy thing that Albion have such players for the future.

Congratulations to Gerry Dyer on his recent engagement.

After the 1st XV match our United play Ilfracombe and we ask all who come to give this game their support we can assure you of a very entertaining game.

Although starting the season somewhat shakily, the United have settled down to produce some very good rugby.
