Gloucester are our guests this evening and we have much pleasure in welcoming them to Priory Park. This is a match which we always look forward to and we trust that tonight's game will prove as entertaining as ever and that our visitors will have on the last match of their tour, a pleasant evening in Taunton.

Last Saturdays match against **Torquay Athletic** proved a most exciting one and after being 6 pts to nil down at the change over, Taunton recovered well to eventually win by 12 pts to 8.

May we remind you that on Friday evening next (28th April) the 1st XV play their last match of the Season at Priory Park against **Stroud**. Kick off 6.30 p.m.

We are rapidly approaching the close of this season and we have naturally been giving some consideration to the management of the Club for the season 1961/62. It is essential that we have new Members on the Committees of either the Parent Club or Social Club and we are therefore most anxious to hear from any Member who is interested in serving actively on either of these Committees. The Hon. Secretary or Hon. Treasurer will be pleased to give details of the duties involved.

Club Dance at the Empire Hall, Taunton on Saturday next (29th April). Dancing 8-11.45 p.m. to Brian Blackmore and his Band. Admission 6/-
