### OUR VISITORS

We first played Gloucester in the 1891 season, and except for the war years, have played them regularly ever since. They are therefore very old friends and are very welcome here today.

Since the war at Leicester we have won 11 and lost 4 games, but at Gloucester the record is very different, and we have only beaten them twice in 16 games. However it is always a close and enjoyable struggle and we are looking forward to such a game today.

### HOME NOTES

Our very heartiest congratulations to Mike Wade on gaining his first cap for England in the game to be played at Twickenham next week against Wales and to Ken Scotland who is full back for Scotland at Murrayfield today.

I am pleased to announce that Davis Senior is again fit and plays for the Extra-first today.
