BATH STREET - BATH

THE CHERRY AND WHITES

Our old rivals from Kingsholm, Gloucester, are having an indifferent season, for they have brought off some notable wins and suffered some heavy and surprising defeats, as for example, their win and loss against Bristol. They have selected a strong XV today, and whatever the result our supporters can be sure of a good rousing game. We hope our Gloucester friends will enjoy it and their stay in the Clubhouse tonight.

LAST WEEK

The Rosslyn Park game last Saturday was quite enjoyable despite the weather, and those supporters who stayed home to watch the Television missed quite a few thrills.

THE KICK THAT WASN'T!

Several students of the game and supporters have asked why the Referee disallowed the conversion attempt after Peter Parfitt's try. The answer is that Gordon Drewett accidentally touched the ball with his foot while placing it.

Of course the referee was technically correct in ruling that the ball had been kicked—but let us just say that it was not quite in the true spirit of the game, especially as one of the opposing players was standing behind the kicker instead of on or behind the goal line.

By the way the kicker can handle the ball as many times as he likes provided the kick is taken without undue delay.

THE CLUBHOUSE

Supporters are reminded that the Clubhouse facilities are available for MEMBERS ONLY. Non Season Ticket Holders can become associate members on application, the subscription in this case is 5s. for the season.

Snacks are available in the Clubhouse this evening. Why not come along and meet the players?
