CLUB NOTES

It is always a pleasure to receive Gloucester as visitors, a club with great traditions and outstanding records since its formation in 1876.

Typical exponents of the West Country style of play, with emphasis on forward play we can expect a hard game. During the past few seasons lack of consistency in their play has been difficult to understand and this makes them most dangerous opponents.

Northampton Saints' Club

Although not finally completed, the Bar underneath the members' stand was opened on Thursday last and in future will be open at every "Saints" home match. This is an effort by the players deserving the congratulations and support of all. They have very limited time at their disposal for carrying out such works and considerable sacrifice and effort was necessary to reach the present stage.

This will inevitably prove a great asset to the Club, and the committee wish to express to the players and all others concerned, appreciation of their efforts. All of this would not have been possible without the ready and generous co-operation of our landlord, Messrs. Phipps Northampton Brewery Co. Ltd. This Club is subsidiary to the Football Club entailing a separate membership. Annual subscription is the nominal sum of 1/-, so fill in your form now and join today.
