NOTES

Gloucester visit us at the start of a short tour of South Devon (Teignmouth next Monday). We all hope they will have a very enjoyable tour starting with us here this afternoon.

Our visitors are fielding a strong team including 10 County players and this coupled with the fact that it is our last fixture of the season should lead to some good "festive" football (despite, we hope the "rigours" of the Club's recent Easter Tour in South Wales!).

Appreciation

To-day's match will unfortunately be the last match for many of our players in all three teams, whom the needs of the Service will grasp from us before next Season. To these we extend our grateful thanks for all the loyalty and support they have given the Club and we wish them all the best wherever they go.

Referee : Mr. I. Murrin (Devon County)
