## CLUB NOTES

0

Today's game is the last of this season for the Guy's 1st XV. With 10 wins to date the results are better this year than for some seasons past. Captain I. Baker has led by vigorous example and kept the team in training throughout the season.

Our thanks are due to Mr. and Mrs. Batchelor and other members of the staff and many students and nurses for their loyal support at all the games throughout the season.

This season is the last at Guy's for D. A. Biggs, R. W. T. Myall, J. C. Thomas and E. S. Price. They have all given first rate service to the Club for several years and this will be hard to replace. We would like to congratulate Biggs and Myall on qualifying in dentistry and also congratulate the former on his engagement.

Finally thanks are due to Mr. Copeland and his helpers for their continued regular service on the gate.

Last week the team had an exhausting and dampening experience at Nuneaton. The result was a pointless draw—tribute to the monsoon weather conditions. We hope today that the season will end on a high note with a good game.

The A XV ably led by D. Gowley have had a run of successes recently. It is to be hoped that this is a sign of a general improvement in the playing standard of the club as a whole.

## OUR VISITORS

We wish Gloucester an enjoyable visit and a successful conclusion to their season. They are without P. Ford who is to be congratulated on being selected for the Calcutta Cup game today.
