**ROBERT TIMMS MOT CENTRE**

and

**JAMES TIMMS TRANSPORT**

Brothers Bob and James Timms are pleased to have the opportunity to sponsor Stroud RFC for their annual fixture with Gloucester RFC, but their loyalties may be divided.

**Robert Timms MOT Centre**

Cainscross Road, Stroud 0453 763229

Both played rugby for Old Cryptians in their early days. Bob went on to play for Gloucester RFC for eight years during which time he played for the County. He returned to Old Cryptians before business took priority when he started his own garage in Middle Street, Stroud. He is now at bigger premises on the Cainscross Road where, with his son and daughter, he has a filling station, MOT testing and repair centre and is a service agent for Yugo cars as well as any other make you wish to mention, and through Middleton Autopanel, supplies body panels to the trade and retail in Stroud and Gloucester.

**James Timms Transport**

Borrow Silo, Hempsted Lane 0452 305527

After his Old Crypts days brother James supported rugby for several years but starred in MOTO-X where he was a top class rider. In later years he took to motor racing. He was President of the North Gloucestershire M/C Club. Business now takes first priority and with his son and daughter runs his storage, warehousing and transport company.

WELCOME TO  
**GLOUCESTER**

It is with great pleasure that we welcome our old friends to Fromehall Park this evening for what is usually an enjoyable encounter.

Our visitors get off to a cracking start with a 44pts - 0pts over Lydney on Saturday, with their Second String recording a 59pts - 20pts at Cinderford proving the great strength and depth that there is these days at Kingsholm.

We secured a 20pts - 5pts win over Edwardians with the Nomads coming out on top 37pts - 22pts over their Second String.

There are some changes in the line for this encounter and we welcome newcomer Peter WHITING on his 1stXV debut at Fly-Half.

Match Ball is sponsored by  
**BRUTON KNOWLES**  
and
