Today we welcome our old rivals Gloucester to Fromehall Park and hope that we shall be treated to some open constructive rugby with both sides fresh from good wins on Saturday. Tonight will be a special occasion for our centre Jim Breeze who is making his home debut against probably our strongest opposition. May we take this opportunity to remind our supporters that there is a Vice President evening on Friday, 26th September 1980. Finally we offer our congratulations to Steve Mills in his first term as Gloucester Captain.
