This evening we extend a warm welcome to Gloucester our opponents for the opening match of the season. It does not seem long since last season ended, but players and supporters will be eager to see some action.

With a team playing in Italy, Gloucester have selected a mixture of experienced players and some new faces that have joined them this season.

With an increased League programme Gloucester will be looking to challenge for a top place in Division One.

Lydney's team is much the same as last year, but with Mike Stubbs, Mark Fennell and Andrew Howell rejoining and some good young players from last season's Colts team there is more strength in depth. Lydney's skipper Nicholas Nelmes is keen to challenge for promotion this season so a good start is important.

Season tickets are on sale now and remain at last years prices, contact John Jones, Mike Hook or Gerald Probert.

Tomorrow Lydney Colts are in action against Gloucester Colts and on Saturday Taunton are the visitors to Regentsholme K.O 3.00pm

Finally on Sunday a new venture for Lydney when the ladies team play their first match, K.O 2.30 pm.

## Today's Official

Our referee this evening is Chris White from Cheltenham. We would like to congratulate him on two special events during the summer months his wife Lynne presented him with a son, "Deri", and he was promoted in his refereeing career to the RFU panel. Chris is currently a Junior School Teacher at Prestbury.  
Congratulations Chris and Lynne.

Jay.
