NOTES

At the time of going to press the Gloucester team for to-day's match was not published, but it will probably not differ from Saturday's XV. Our opponents are known in the Rugby world as a sporting side, and the 1939 game is still remembered by those who witnessed it. J. Mycock, the International forward, is down for the Barbarians' Welsh Tour, and may not be here to-day. It is expected that Sale will include some of their pre-war team. Gloucester have only Day, Morris, Hudson and Thornton of their pre-war players. A fact of interest—Sale have only lost one match during the season and only one try has been scored against them since December 28th.

OUR PLAYERS. No 9.

SMART, Sid. Age 26. Height 6 ft. 1 in. Weight 13 st. 11 lbs. Son of the famous Gloucester, County and International forward of the same name, he has the same tireless style as his father. Played local football for Atlas for five seasons. Gained a place in First XV last season, making 25 appearances, and has made the most appearances for First XV this season (21).

ATHLETICS

We are pleased to help this Sport by announcing that the Gloucester Amateur Athletic Association will welcome new members (ladies or gentlemen) on their training nights (Tuesdays and Fridays), commencing April 22nd, at the Atlas Sports Ground, Hempsted. The County Running Championships will be held on May 24th. In conjunction with the City Cycling Club, a Sports Meeting will be held at **Kingsholm** on Saturday, August 23rd, and anyone interested should get into touch with the Hon. Secretary: Mr. E. Critchley, 41, High Street, Gloucester.

Thank you for your support to the Rugby Memorial Fund to which the proceeds from the sale of these programmes is given
