NOTES

With seven players in the County XV and Meadows away as reserve and Dangerfield and Crabtree injured, Gloucester have only seven players who have played regularly this season, but the remaining eight chosen have all appeared occasionally. The team is probably the youngest which has represented the Club this season.

At the time these notes were written, the Harlequins' team had not been received, but from recent results they should provide strong opposition, and the usual good, open game between these opponents should result.

OUR PLAYERS. No. 10

DUNN, Charles. Age 24. Height 5 ft. 9 ins. Weight 12 st. 9 lbs. Local football with Widden Old Boys and later with Rotol. Played for Cheltenham. Joined Gloucester when they resumed last year and played regularly since. Utility man of the team, useful in any position, and always good in the loose, even when playing front-row forward.

OUR PLAYERS. No. 11

CRABTREE, Charles. Age 21. Height 5 ft. 9 ins. Weight 11 st. 6 lbs. School - Coedffrane (South Wales), Neath Technical College XV where he also represented them at Athletics. Came to Gloucester 1941. Four seasons with Students' Union. First played for Gloucester v. Bristol at Kingsholm 1946/47 season. Played regularly since except when injured.
