NOTES

This fixture has, of recent years, become one of the most interesting on the card. The Students believe in open play and last season's result (21-14) shows that they go all out for points. When it is remembered how few opponents reach double figures at Kingsholm (only four teams last season, and only Cardiff have done so this year) their performance was a very creditable one. They are drawn from places all over England and Wales and they will have a chance to get together in the games played earlier this week.

H. J. Meadows replaces A. Carpenter in the pack to-day, and S. Davies returns to replace W. Burrows.

Potential Gloucester players of the future will be on view at Kingsholm next Thursday, January 1st. This match, Gloucester Boys v. Bristol Boys is billed as a County trial.
