NOTES.

The disappointing form of the Stroud and Moseley games, and the necessity of making three late changes in the side at Bristol last week did not inspire confidence in the team's prospects. Whatever opinions however, may be held on the form at Bristol, it is significant that the County Selectors have picked eight Gloucester players for their match to-day.

The policy of giving the team, particularly the younger and newer players every chance to make good is the right one. The gallant display of the sadly disorganised United side at Kingsholm last week has earned three of them (M. Sutton, Knight and Chamberlayne) their first game for the 1st XV., while Nicholls, Wilson and Jones came under favourable notice during the game.

Musical Selections by the Cinderford Town Silver Prize Band

At a joint meeting of the Gloucester Committee and Secretaries of the North Glos. Combination Clubs, the question was asked as to what has been done towards fulfilling the main object of the **Gloucester Rugby Memorial Fund**—that of providing playing pitches for local clubs. The Trustees of the Fund were able to assure those present that, since the fund was started, every effort has been made and is still being made, to obtain a suitable ground, unfortunately up to date without success. Meanwhile the stronger position the fund is in financially, the better it will be able to secure an adequate ground when the time comes. **Every Programme purchased helps the Fund along.**
