NOTES.

Injuries continue to deprive Gloucester of players, the latest being Berry (broken arm) and Knight (injured shoulder). Burrows received a bad shaking on Boxing Day but was able to play last Tuesday. The young back division, which did so well against the Universities' Athletic Union, is retained for to-day and will undergo a severe test.

Two years ago Gloucester won well against the Scottish at Kingsholm but were well beaten in London last season when the match was played on the morning of an International match. Our visitors record this season to date, is: played 13, won 8 drawn 1, lost 4. Points for 160, against 142.
