Season Summary	Gloucester Rugby won silverware for the first time since 2015. Leicester were beaten in the final of the Premiership Cup, played at Kingsholm. In the European Challenge Cup, Gloucester again reached a final only to lose to the South African side, Sharks. It was a different story in the Premiership, where, after two initial wins there was a losing streak of nine games, the worst in the Club's league history. As a consequence, for the third time in four seasons the team finished bottom but one. The league playing record was easily the worst ever. In January Louis Rees-Zammit left to pursue a career in American Football. Jonny May closed out his Gloucester career after 191 appearances, and left for France.
