| Season Summary             | In the previous season the team only just missed out on a play-off place. But the current season was a disappointment with a drop of three places to eighth. However, it was enough to qualify for next season's Champions Cup.<br>Only one win was obtained in this season's Champions Cup and an early exit was the result. Charlie Atkinson was in outstanding form all season. There was a league double over Harlequins.<br>Gloucester-Hartpury's three year dominance ended with a semi-final play-off defeat against Trailfinders. |                                                                                                                                                                                                                                                                                                                        |
