

## Writing a radio jingle about rugby

Below is a radio jingle written about the game of rugby. You need to work in a group to write your own radio jingle advertising the next Gloucester match.

Decide on a well known tune for the jingle!

*(To be sung to the tune of The Hokey Kokey)*

*You choose your fifteen men*

*You put your gum guard in*

*You pass the ball and score a try*

*And kick the conversion*

*Then you and your team mates*

*Yes you tackle everyone*

*That's what rugby's all about!*

*Oh, the game of rugby*

*Oh, the game of rugby*

*Oh, the game of rugby*

*It is the rugby world cup!*
