STROUD v GLOUCESTER

To-nights game is always one of the keenest of Stroud's fixture list, and all Stroud's supporters will be hoping for a repeat of last years win over Gloucester.

Gloucester field virtually the same XV which did so well at Neath last Saturday while Stroud are forced to make two or three changes due to injuries. Both teams will be playing hard to record their first win of the season, and given a fine evening a thrilling game should result.

Congratulations to the Stroud Nomads on holding a strong Tredworth XV to a 6 pts draw last Saturday - a fine performance this.

Attention of members is drawn to Bye-law 20 whereby they have the right to invite guests into the Club House.

The Club House is not a Public House, and all guests must complete the visitors book provided.

All members of Gloucester R.F.C. have been duly elected temporary members under bye-law 19.
