### Hospitality in the West Stand

There is no better rugby atmosphere than Kingsholm. It is unique, passionate and best of all created by you - the supporters. Why not experience this in one of our private executive suites?

For the first time ever we are offering our unique facilities in a half season package. It is the perfect introduction to Gloucester Rugby.

We pride ourselves in offering the best rugby environment to entertain business clients, guests, family and friends and there are opportunities available in both the C&G grandstand or behind the posts in the West Stand. Rest assured both facilities enjoy a very special view over Kingsholm. There are a range of catering and hospitality packages available and all the suites are fitted with Sky TV and a private bar.

By associating yourselves as hospitality partners at Gloucester Rugby this will also give you the chance to meet other local businesses and companies with invitations to attend a number of networking events held regularly at the club.

This half season package covers all eight remaining home matches in 2010. We kick the New Year off with a home Guinness Premiership match v Worcester Warriors on Saturday 2nd January.
