CAKES & CONFECTIONERY
Luncheons and Teas at Moderate Charges. Wines, Ale and Stout.
"GOLD THAT BUYS HEALTH IS NOT ILL-SPENT."

To-day's match has been set aside for the benefit of the Gloucester Royal Infirmary. After striking the average gate receipts allotted for previous matches, the balance will be devoted to the £10,000 Fund. We appeal to all enthusiasts to do their bit, so that a handsome sum may be realised. Members wishing to contribute, can do so by putting their contributions in the boxes at the Entrances.

DR. G. G. C. TAYLOR,

(Three-quarter).

Gloucester may claim to be fortunate in having the services of this talented player, and it is appropriate that a review of his career should appear in our programme on the occasion of the Gloucester F.C. giving the whole of to-day's receipts to the Royal Gloucestershire Infirmary. The Club has done this generous action for several past years.

Dr. Taylor, who is one of the medical staff of our Infirmary, played for Newcastle School, Durham University, Northern, and College of Medicine. Represented Northumberland at outside half from 1919-1924, being captain of the side for 5 years. Played for the North v. England (International Trials) in 1920, 1922 and 1923, and had the honour of being on the reserve for the Rugby Centenary match. Has been selected for all the Gloucestershire matches this season. Good at centre and outside half, preferring the latter position. A fine kick, good tackler and in attack varies his game to advantage. Has a "dummy" which has been sold on numerous occasions.

His partnership with R. Milliner has re-vitalized the Gloucester back play, and it is the hope of his many admirers that he may merit further honours, and that he will have the joy of playing for Gloucester for many seasons.
