Programme on Saturday and to-day's will be published in next Saturday's Football Citizen; the number not having been selected at the time this Programme was in print. Our prize to-day will be given by Mr. Sid Freeman, White Hart Hotel, Gloucester. As usual the winning number will be selected from one of our sold Programmes—to-day by the visiting Captain before the kick-off and will be sent around the ground during the interval. Prize can be obtained from the Editor at the Gymnasium after the match.

Who's luck will it be to-day ?

To-day's match will conclude the City's home programme, the team play Cinderford to-morrow (at Cinderford), and next week-end conclude the season with a tour in Devon against the Services, Plymouth Albion and Sidmouth.

TO-DAY'S VISITORS.

The London Welsh R.F.C. was formed in 1885 and has always been regarded as one of the leading Clubs in London. Our visitors are old and welcome friends and are assured of a cordial reception. Their Easter tour commenced with a visit to Abertillery on Good Friday, followed by Cross Keys (Saturday), Gloucester (to-day) and Bristol (Easter Tuesday). We look forward to a good sporting game and expect to see lots of open and brilliant rugger.

Our Motto—QUALITY, VALUE, SERVICE.

Evening Preparatory Technical Schools and Ex-Scholars' Union.

The game between the City and Cheltenham Juniors at Kingsholm, on Saturday last was a great success and provided some sparkling football. As expected, our lads were much too clever for the Town, but the Chelts', although lacking the knowledge of the finer points of the game, played up pluckily to the end. A word of thanks to the Gloucester F.C. for the use of the ground and providing a splendid tea to the boys after the game. The age limit of these lads are $14\frac{1}{2}$ to 18. The League is in the third season of running and contains no less than Five Teams—Linden, Archdeacon, Widden, Tredworth and Technical Evening Classes. Winners of the Shield and Medals, 1922/3—Linden School, 1923/4—Technical School, and 1924/5—Linden School. The Dean's Shield and Medals are presented by Gloucester Rotarians. All matches are refereed by Gloucester Society of Referees and no fee is charged by the referee. The playing fields are Sutgrove and St. Catherine's Meadow, provided by the Gloucester Education Committee. Home and home matches are played between themselves, St. Gregory's (Chelt.), Ross, Stroud, Dursley, etc., and each lad pays his own expenses. Shirts and balls are found by Central Committee which is composed of one Master and one Student from each School, Hon. Treasurer and Secretary Capt. Blackwell and Chairman of Committee Mr. Eric Keys. I am sorry to say they are at present in debt, and I feel sure they would be very grateful if a few "Sports" would act as "Patrons." Already several drafts of lads have been passed on to "local" football clubs and one new local club has been formed as a direct result of this "link" between School and Local Football. This season some 20 players passed on, as a result of the age limit. This scheme MUST eventually tend to improve Gloucester Rugby and is worthy of every encouragement.

Tom Voyce is in the selected English Team to play France in Paris on Easter Monday.

Dr. Taylor is again reserve for England and has been invited to travel with the team.

Gloucester will have the assistance to-day of W. H. Woods (Devon Services) who was in the selected Combined Services side that opposed the City on Kingsholm this season.
