We could not have more popular visitors than Gloucester to open our Season at the Reddings today and we are certain to see a display of interesting Rugby. No doubt Willie Jones will demonstrate his prowess as one of the best goal kickers in the British Isles, while the pack will undoubtedly give their usual solid performance of vigorous forward play.

We open today a New Club Room for the use of Male Members and a Tea Room for all Members, who are heartily invited to take advantage of the improved amenities offered. Hon. Treas. will be in attendance at Club Room after the Match and it is felt that many regular visitors who are not members will show their appreciation of the Committee's efforts by applying to him for membership.

REGULATIONS AS TO THE USE OF CLUB ROOM

1. The Club Room is for the use only of Male Members of the Club and their Male guests.
2. The Tea Room is available for all Members and their guests.
3. A Member using the Club Room must show his Membership Card when requested by a Member of the Committee or by a Servant of the Club on duty in the Club Room.
4. A Male Member may personally introduce Male friends as his guests, and must enter the names of such guests in the Visitor's Book provided. No person shall be introduced more than twice in one month and no Member may introduce more than two friends at one time.
5. Members introducing guests shall be responsible for all refreshments supplied to them in the Club Room.
6. No liquor shall be served, or taken outside the Club Room on any pretence whatever, without the consent of the Committee.
7. It is the Committee's wish that no annoyance shall be caused by Members or their guests using the Club Room. Accordingly the Club's Servants are authorised to cease the sale of liquor and to close the Club Room if they consider—at their absolute discretion—that the Committee's wishes might otherwise be contravened.
8. No liquor may be served outside the permitted hours of the Club or while a Match is in progress.
