**W**E welcome to-day, as visitors, the combined counties of Dorset and Wiltshire. For some years they have been anxious to join the Rugby Football Union County Championship Competition, and this is their first game in the series of the South-Western Group matches. They have not a great many clubs to call upon, nevertheless a useful side has been selected for to-day's game. In season 1878-79, Wiltshire County played Gloucestershire at Gloucester on Jan. 16th, 1879 but they lost that game by 4 goals, 3 tries to nil.

Gloucestershire play Somerset at Taunton on October 25th, Cornwall at Falmouth on Nov. 8th, and Devon at Bristol on Dec. 13th. Should we be in the Semi-Final it would be played in Gloucestershire, and again if we are successful the Final would be played in the County.
