**OUR VISITORS**

To the Gloucester Town Committee and Supporters, the Stroud Club extend a hearty Welcome this evening. Many have been looking forward to this game, and to the Stroud supporters the visit of the "Cherry and Whites" is an Annual event they would not wish to miss. Under their Captains Gordon Hudson, and Bill Hook, as Vice, Gloucester should have another good season, we wish them every success. It is unfortunate that we will not have the pleasure of seeing Willie Jones play this evening, he has other fields to conquer; nevertheless he will be missed by many.

The Stroud Club regrets that the Stand accommodation is still so limited; since the fire which destroyed our previous Stand. The Club has been striving to replace this and to effect other improvements, but these cost money, our active supporters Club are all out to help in this direction, we wish them every success in their efforts.

Congratulations to John Smith and David Phipps upon their selection to play for the County v. Oxfordshire.
