NOTES.

The game v. Leicester is still being talked about as one which will live in the memory of those who watched it. A glance at the remaining fixtures conjures up hopes that further displays of this nature will be forthcoming at Kingsholm before this season is out.

The team which did duty at Moseley last week put up a gallant show, despite the newly acquired stars in the Moseley team.

The return of R. Sutton to fitness created a problem this week, but the outstanding performances of Knight against Richmond and Leicester keep him his place. Sutton's turn will come again, as he showed sufficient form before his injury to warrant perseverance.

Bath, after a modern start, are showing themselves capable of holding their own with the best, as recent victories over the Harlequins and United Services will testify. Their record to date is:—

Played 13, Won 5, Drawn 2 Lost 6. Points for 98 against 133

Musical Selections by the Cinderford Town Silver Prize Band

Some question as to the exact purport of the note concerning **PROGRAMMES** on the Leicester programme has been mentioned. The intention was merely to point out that whereas the Gloucester Club Programmes are published by the trustees of the **GLOUCESTER RUGBY MEMORIAL FUND** and proceeds go to that Fund, the Programmes for the recent County Match were published by the County Union, who received the proceeds. The County Rugby Union have been very generous to our Fund, for they gave the Programme proceeds of the semi-final and final matches in 1947 a total of over £105.

Gloucester R.F.C. Supporters Club are arranging transport to Newport next Saturday. Anyone interested should contact Supporters' Club members at the "White Hart" gate table to-day, or the Hon. Sec. at 78 Bloomfield Road, not later than Monday next.
