... .. NOTES

THANKS in very large measure to the Stroud XV for an excellent and most enjoyable game last Saturday. It has served to emphasize the strong and very close friendship which has grown up between our two Clubs. May this long continue!

YET ANOTHER of our County neighbours honour us this evening. Gloucester R.F.C. are a first-class attraction wherever they appear, and the cherry-and-white jersey can always be relied upon to revive many glorious memories of Rugby tradition all down the years of football history. If to-day both teams will give of the "vintage" football, of which they both are capable, we are in for a real treat such as the Rugby enthusiast longs for. It is interesting to note that the English and County Selectors are watching the game. They should find much to interest them. So far this season Gloucester have drawn with Lydney and Bristol and won against Stroud, while Cheltenham were the victors against Stroud last Saturday.

THE NEXT HOME MATCH will be the Cheltenham Second XV v. Chippenham on **Saturday week (Oct. 8th)**. On this **coming** Saturday both the Cheltenham teams are playing away: the 1st at Lydney and the 2nd's in London against the Old Haberdashers, so that means there will be *No Match on the Athletic Ground next Saturday*. This is very unfortunate, but occurred owing to the date being reserved for a prospective Universities' game which it finally was found impossible to arrange for this date.
